JERRY CLAIBORNE
Head Football Coach

Jerry Claiborne is considered one of the top football coaches in the nation and he has earned the title the hard way. He has served as the head coach at two major universities, building winning programs at both, and developed seven bowl teams.

Under Claiborne's direction the Terrapins have visited five consecutive bowls and his Virginia Tech Gobblers had two post season encounters.

When Claiborne arrived in College Park, in 1972, he was taking over a football program that had suffered through five head coaches in 16 years with a combined record of 60-100-1. The last bowl visit by a Maryland team had been by Jim Tatum's 1955 team that met Oklahoma in the Orange Bowl.

The previous four coaches had a combined record of 48-82 over a 13 year span. In just six years Claiborne has recorded a 49-20-2 record, with three Atlantic Coast Conference Championships to go with his five consecutive bowl visits.

Claiborne's first Maryland game was in Raleigh, North Carolina and the Terps were suffering with a six game losing streak in the league. The game ended in a 24-24 tie but the Terps picked up their first conference victory four weeks later with Maryland's first league shutout in seven years and went on to a 5-5-1 season.

Claiborne's second conference shutout came in 1973 and began a league record 21 consecutive conference victories. In six years the Terrapins have won 28 league games with only five losses and the tie while outscoring the opposition 948-360 and recorded 10 shutouts in the 34 games. Maryland also won three conference championships during the winning streak.

In 1973 another Claiborne joined the Maryland football program, as a walk-on non scholarship candidate. Jonathan, the coach's son had played his high school football at Blacksburg High in Virginia, Fairview High in Colorado and nearby Northwestern High in Maryland. At 5-foot-10 and 170 pounds he was the starting safety for Maryland's Cotton Bowl team of 1976 and Hall of Fame Classic team of 1977.He worked on the weights, improved his speed and earned his scholarship the hard way playing for the junior varsity. In his first collegiate game with the JV's as a freshman safety all he did was lead the Terps to a 14-9 win over Virginia. He contributed two interceptions, a key fumble recovery, blocked an extra point with the Terps leading by a single point at the time and broke up several key pass plays. He was an ACC Honor Roll Student each year and graduated with a double major in Accounting and History. He has enrolled in the Duke University Law School. During the 1976-77 school year he recorded a perfect 4.0 average in the classroom and was named an Academic All-American his senior year.

He was a recipient of the National Football Foundation and Hall of Fame Scholarship, one of only 11 scholar-athletes in the nation to receive a $1,000 graduate fellowship. He also received a $1,500 NCAA Scholar-Athlete Award.

Since taking over at Maryland, Claiborne has been named the ACC "Coach of the Year" three times, the District III "Coach of the Year" three times and the Sporting News National "Coach of the Year" in 1974.

His 1976 Maryland team was the first to win 11 games in a season and in 1974 he coached the Outland Trophy winner in Randy White. The Terp defensive tackle also won the Lombardi Trophy and was named the UPI "Lineman of the Year" along with other honors.

His son Jonathan is not the first Terp to excell as a scholar-athlete as 19 have been named to the All-ACC Academic team and Kim Hoover was a first team Academic All-American in 1975 and Joe Muffler joined Jonathan on the 1977 squad.

Claiborne is a strong advocate of recognition for his athletes. Prior to his arrival the Terps had five All-ACC players in seven years and since then have had 27 named to the all-league team in just six years, including seven on the 1976 team.

He is active in voting in the coaches poll each week, coaching in and contributing to the All-Star games, makes his contributions to the All-American teams and is extremely coperative with the media concerning interviews for his athletes. Since joining the Terrapins he has been named to the coaching staff of the East-West Shrine game three times, the Coaches All-American game, the Hula Bowl and served as the Head Coach of the Japan Bowl in 1977. He has conducted clinics in Europe (Ramstein, Germany and Alconbury, England) for the USAF, participated in the NCAA College Football Press Day and the 1977 NCAA College Football '77 preview in Kansas City.

The last Maryland All-American had been Gary Collins as a first team selection in 1961 but Claiborne has developed Paul Vellano, Randy White, Joe Campbell and Steve Mike-Mayer as first team selections with Louis Carter, Ed Fulton and Mark Manges as second team selections. Numerous others have achieved honorable mention honors and Randy White picked up the league's "Player of the Year" honors in 1974.

His players have captured the League's Brian Piccolo award twice and the Jim Tatum award twice with his son Jonathan the 1977 recipient.

As an athlete Claiborne earned considerable recognition himself. He was named the "Outstanding Senior" on the University of Kentucky's 1949 team that went on to the Orange Bowl, while playing as a defensive back for Paul Bryant. During his senior year the defensive secondary at Kentucky established and still holds the NCAA record for pass interception returns.

In addition he was held in high esteem academically, elected into several honorary leadership-scholarship organizations including Lamp and Cross, and Omicron Delta Kappa. He was selected the "Outstanding Senior" in the College of Education and graduated from Kentucky with "High Distinction" accumulating a 2.7 out of a possible 3.0 grade point average. In 1968 he was elected to the University of Kentucky Hall of Fame.

During his athletic career the most popular dress of youngsters in Hopkinsville, Kentucky was a football jersey with Claiborne's 88 on it. Many youngsters even painted the number on their TEE shirts when the jerseys were not available.

Claiborne began his coaching career at Augusta Military Academy as Head Football Coach and Basketball Coach. The first year his basketball team won the State Prep Championship and the second year his football team won the state title.

After two years at the Academy he returned to his Alma Mater as assistant coach with Paul Bryant. Two years later Coach Bryant moved to Texas A & M and Claiborne went with him as defensive coordinator. In two years Texas A & M was the Southwestern Conference Champions and Coach Claiborne's defense led the league.

In 1957 Coach Claiborne joined the Missouri coaching staff with Frank Broyles. Once again Claiborne was the defensive coordinator however his stay in Missouri was short lived as the next year found Coach Bryant accepting the Head Coaching position at Alabama and Claiborne returned to Bryant's staff as the assistant head coach in charge of defense.

In two of the next three years the Alabama teams were among the best in the country defensively as they played in both the Liberty and Bluebonnet Bowls.

With such immediate success being the pattern of Claiborne's coaching career, he was selected as the head football coach at Virginia Polytechnic Institute.

In three short years Virginia Tech won the first Southern Conference Championship in the history of the schol. In 1966 and 1968 Claiborne's Virginia Tech teams played in the Liberty Bowl.

In 1963 he was selected as the Southern Conference "Coach of the Year". In 1966 he was selected as the District III "Coach of the Year". His overall record at VPI was 61-39-2 ranking him among the top 25 coaches in the United States.

While heading up the Virginia Tech program he was honored by being selected to coach in the Blue-Gray and Coaches All-American game.

His 16 year coaching record now stands at 110 wins 59 losses and four ties. By winning 65 percent of his games he ranks among the top 15 winningest active major college coaches in the nation.

He is an active member of the Fellowship of Christian Athletes and has served as a Deacon in the Baptist Church. While in Virginia he served as State Chairman of the Cancer Crusade and since moving to Maryland has served as the Chairman of the Prince George's County Cancer Crusade. The Virginia campaign raised over $1,000,000 for the first time in the history of the state with Claiborne as Chairman.

Mrs. Claiborne the former Faye Hooks of Hopkinsville, is also a University of Kentucky graduate.

The Claibornes have two sons, David and Jonathan and two daughters Katie and Eileen.

Claiborne was born on August 26, 1928.

ASSISTANT COACHES

John Devlin (West Chester '59)
Linebackers

Coach Devlin works with the group that Coach Claiborne has often mentioned as the key to the success of the wide tackle six defense. The linebackers are especially important to this defensive alignment and Devlin has developed some of the best over the years. Brad Carr was the leading tackler on the Cotton Bowl team with 157, Kevin Benson led the Gator Bowl team with 149 and Harry Walters set a Maryland record with 173 on the 1974 Liberty Bowl team. All three achieved All-ACC honors and Honorable Mention All-American honors with Carr picking up 106 of a possible 110 votes in the balloting for all-league honors as a junior. Walters is now an established star in the Canadian Football League.

Devlin joined the Terps in 1973, replacing Bobby Ross who assumed the head coaching duties at The Citadel. He served with Coach Claiborne at Virginia Tech from 1966 through 1970 and was the defensive line coach at Florida State for two years before joining Claiborne at Maryland.

The native of Norristown, Pennsylvania began his football career at St. Matthews High in nearby Conshohocken and went on to West Chester State College.

While at West Chester he achieved all-conference honors as a tackle and was also the weight man on the track team. His 1958 team at West Chester was called the best ever coached by Glenn Killinger, the Rams coach for 25 years.

Devlin began his coaching career at Waynesboro high and then coached the Fourth Army team while serving in Germany. He joined Paul Dietzel at West Point for three years before moving to Virginia Tech.

He was born in Norristown on April 12, 1937. While in German he married the former Irma Kleemann of Regensburg, Germany. They have four children, John III, Elizabeth, William and Michael.

Devlin is seldom seen on a Saturday afternoon except when rushing to the locker room at halftime. He spends the game in the press box calling the defensive signals for the team that ranked as the Nation's second best in total defense in 1976.

Jerry Eisaman (Kentucky '60)
Quarterbacks

Coach Eisaman, for the first time since joining the Maryland staff, will not have a letterman at quarterback when the Terps open the 1978 season.

The last three starters Eisaman has coached all have joined the professional ranks with Bob Avellini established with the Bears, Mark Manges joining the Rams and Larrry Dick in Canada with the Roughriders.

The Terps led the ACC in passing offense last fall and scoring offensive despite having both quarterbacks injured most of the season.

While at Kentucky Eisaman was recognized as the All-SEC Sophomore Quarterback and was selected Co-Captain his senior year. He also played in the Blue-Gray All-Star game.

Academically he received the Sam Huey award for the highest scholastic standing among the members of the football team for four years, and was a member of the Scabbard and Blade Society.

While an officer in the Army he coached the First Cavalry Division to the Far East Championship and also coached the Fort Knox Tankers. From there he spent three years at Senaca High in Louisville, Kentucky before joining Coach Claiborne at Virginia Tech in 1966, coaching the offensive backs for three years. He served as the offensive coordinator at the University of Cincinnati for three years before rejoining Claiborne at Maryland.

Eisaman also spends his afternoons in the press box calling the offensive plays for the Terp quarterbacks. Coach Eisaman is a 41 year old bachelor.

George Foussekis (Virginia Tech '68)
Defensive Guards

Coach Foussekis achieved All-American recognition for three years while playing for Coach Claiborne at Virginia Tech and has developed an All-American at Maryland in Paul Vellano a first team selection by the American Football Coaches Association in 1973.

Foussekis coaches with the same fervor that made him an All-American and is just as succesful. He has developed an all-league guard in five of the six seasons he has been at Maryland. Vellano made the All-ACC two consecutive years, Paul Divito followed and Larry Seder won the honors in 1976. Last Fall Ted Klaube made the all-league squad after leading the team with a record 186 tackles.

Dave Visaggio, one of his guards, won the ACC's Brian Piccolo Award in '74 and Ernie Salley earned three letters at guard before moving to tackle last fall. His guards recorded a dozen quarterback sacks last year after picking up 14 in each of the two previous seasons.

Coach Foussekis has been especially effective recruiting in his native state of Virginia. His recruits have included Walter White, the tight end from Charlottesville, now with Kansas City in the NFL, and Ralph Fisher of Radford who joined Buffalo following graduation. He also recruited Steve Atkins and Alvin Maddox, two outstanding tailbacks, and Bruce Palmer one of his guards.

He was a member of the Gobblers 1966 Liberty Bowl team and signed with the Denver Broncos in 1968. He returned to Virginia Tech with Coach Claiborne in 1969 and worked with the defensive line there for two years. In 1971 he served as the defensive coordinator at William & Mary and rejoined Coach Claiborne when he assumed the head coaching duties at Maryland.

Coach Foussekis is a graduate of Lane High in Charlottesville, Virginia where he captained the football, basketball and baseball teams. He was named the Most Valuable Player in all three sports. His 1963 football team at Lane High won the state championship and he was named first team All-State.

The 32 year old bachelor was born on April 28, 1946.

Thomas Groom (Virginia Tech '67)
Offensive Setbacks

Coach Groom has three running backs this fall who have contributed a total of 15 games of 100 plus yards rushing including the two best in Maryland history. Steve Atkins set the school record of 215 yards but George Scott broke that last fall with 237 on a record 42 carries. The backs scored 27 touchdowns rushing last fall and 21 the previous year.

In Louis Carter, now with Tampa in the NFL, Coach Groom produced the Terps all time ground gainer and touchdown producer. Carter was a second team all-american selection by the Football News and the Most Valuable Player in the Coaches All-American game in Lubbock, Texas. Tim Wilson the back missing from the 1976 backfield, has joined Houston in the NFL.

Groom played his collegiate football for Jerry Claiborne at Virginia Tech where he was a three year letterman and as a fullback captained the 1966 Liberty Bowl team. He also captained the undefeated 1963 State Championship team at Charleston Catholic in Charleston, West Virginia.

Following graduation from Tech he remained as a graduate assistant until entering the Army as a Commissioned 2nd Lt. He served as an assistant coach at the USMA Prep School at Fort Belvoir, Virginia in 1968 and in 1969 transferred to West Point as an assistant coach under Tom Cahill.

In 1971 he served as a graduate assistant under Head Coach Eddie Crowder at Colorado. He moved to Maryland with Coach Claiborne.

He is married to the former Sharon Dalton and they have two children Thomas and Gina.

John "Jake" Hallum (Newberry '61)
Offensive Line

Coach Hallum saw five members of his 1976 offensive line, that led the Terps to the Cotton Bowl, depart and four of the five joined NFL teams. Then he opened the 1977 season by losing two starters for the entire season with injuries and another half dozen missed one or more games with injuries.

Mike Yeates, the only starter returning last fall, has now joined the Washington Redskins but Coach Hallum has eight lettermen back in the interior line.

He has developed All-ACC selections in Tackles Stan Rogers and Marion Koprowski and Guard Ed Fulton.

Coach Hallum played four years of collegiate football at Newberry, receiving his B.S. degree in 1960. He received his Master's from Muray State in 1965. He began his coaching career at Pickens High in South Carolina as assistant coach in football and basketball and head baseball coach. In 1962 he moved to Hopkinsville High in Kentucky, again as an assistant in football and basketball and head baseball coach.

He then moved to Paul G. Blazer high in 1966 as head football and track coach, recording a three year record of 20-6-0 in football. His 1966 football team captured the District Championship and in 1967 won the State title. His track team placed third in the State in 1967.

Coach Hallum was named the "Outstanding Young Man" for the Ashland and Boyd County area in 1967, the Lexington Herald "Coach of the Year" in 1967 and the Kentucky High School Athletic Association "Coach of the Year".

In February of 1968 he moved to Morehead State University as assistant football coach and in April was named the head football coach and assistant professor. He served in this capacity until moving to Maryland to join Coach Claiborne. He left Morehead with a winning program and a 7-3 record in 1971.

Coach Hallum was born in Liberty, South Carolina on November 2, 1938. His wife Mable is a native of Greenwood, South Carolina. They have two sons, Tod Jacob and Bart Jeffrey.

Morgan Hout (Temple '71)
Offensive Receivers

Coach Hout took over the duties as receivers coach last fall and saw them contribute to the Terrapins leading the ACC in Scoring and Pass Offense last fall. His three top receivers contributed 76 receptions accounting for 1,200 yards. Dean Richards established a Maryland record with 160 yards on receptions in the Penn State game and Chuck White caught eight for 126 yards in the Hall of Fame Classic.

He came to Maryland as a graduate assistant in the spring of 1974 after having served as a head coach in the high school ranks in the Carolinas for three and a half years.

Coach Hout started the football program at Harbor Christian School in Columbia, South Carolina as Coach and Athletic Director in 1971 and in his second year had a 6-4 record while coaching basketball and baseball.

In 1973 he moved to Northside Christian School in Charlotte as Head Football and Basketball coach and recorded a 10-2 football record. Working with the Junior Varsity at Maryland he has coached the defensive backs, defensive ends and linebackers and handled the Scout team when they worked with the varsity.

Coach Hout is a native of Marietta, Georgia where he lettered in football, track and baseball, earning All-State honors in football. The 30 year old coach is married and he and his wife Brenda have no children.

Dick Redding (Springfield '40)
Offensive Line & Kickers

Coach Redding works with the offensive line and the kickers who have been so effective for the Terps in Steve Mike-Mayer and Mike Sochko. Mike-Mayer moved on to the 49ers and Sochko is heading up the road to the Colts.

He has also coordinated the scouting program that has been so effective in the past. He concentrated on the use of film for scouting before the new rules prohibiting scouting in person so the adjustment was minor for the Terrapin staff.

Prior to joining Coach Claiborne at Maryland he had coached at Virginia Tech for 18 years, two years with the varsity line and 16 years as freshman coach.

Coach Redding began his coaching career at Vermont College where he served as Athletic Director, football, basketball, baseball and track coach.

He entered the Navy in 1941 as an aviator and in 1947 resumed his coaching career at Davidson College as assistant football and head swimming coach.

Gib Romaine (East Stroudsburg '66)
Defensive Tackles

Coach Romaine had an honor in '74 that few coaches ever achieve. He coached the winner of the Outland Trophy, the Lombardi Trophy, the UPI "Lineman of the Year" and the ACC "Player of the Year' 'in Randy White. After having White as a two year All American he came up with another in 1976 in Joe Campbell, a Wilmington, Delaware native as was White. Campbell was a consensus All-American and the first round draft choice of the New Orleans Saints while White was a first round choice of the Dallas Cowboys.

Coach Romaine was a defensive line coach at Kansas State for three years before joining Coach Claiborne's staff. He had joined the Kansas State staff in 1969 as a graduate assistant working with the freshman team. He received his Masters in Physical Education from Kansas State in 1970 and served as varsity line coach for three years.

Co-Captain of the 1965 undefeated and third ranked NAIA team at East Stroudsburg, he began his coaching career at Mansfield State in 1967. He served two years as assistant football coach and assistant Dean of Men at Mansfield.

The 33 year old was born in Franklin, New Jersey on May 16, 1944 and attended high school in Port Jarvis, New York where he earned 10 varsity letters before concentrating on football in college. He is a member of the Masonic Lodge and Phi Sigma Kappa Social Fraternity.

Coach Sharpless joined Jerry Claiborne's staff last fall and works with the defensive ends, the position he played for Coach Claiborne at Maryland.

He has Jim Shaffer returning as a starter and Joe Muffler as an Academic All-American on the other side. Both are two year lettermen.

Coach Sharpless, excelled at defensive end in the wide tackle six and the native of Jacksonville, North Carolina had 11 tackles in the backfield for the 1974 Liberty Bowl team. Only Randy White had more. He set opponents back 56 yards with his tackles that year including four quarterback sacks.

Since graduation he has taught Physical Education, Recreation and Health at Winningboro High in New Jersey and also served as Assistant Football Coach. As the Track Coach he led Willingboro to the Group IV Sectional Championship, the South Jersey Championship and runner-up for the State title.

JAMES H. "JIM" KEHOE

On May 12, Coach Kehoe announced his plans to retire from the University of Maryland in September, having completed over 39 years at the College Park Campus as an athlete, professor, coach and administrator.

"After nearly 40 years in Maryland athletics, I just think its time for younger and new leadership to fight the battle" said Kehoe. "I have had my turn, it is time for someone else to take over. It's how it should be!" he added.

Kehoe began his athletic career in Bel Air, Maryland and joined the University of Maryland Track and Cross Country team in 1936.

He graduated from the University in 1940 and in 1941 began his Military Service during World War II. He returned to College Park in the fall of 1945 as Assistant Track Coach with Geary F. "Swede" Eppley, coaching the first team since the War had terminated the sport in 1943.

He took over the Coaching duties in the spring of 1946 and coached both Track and Cross Country through the fall of 1969.

In February of 1969 he was appointed Director of Athletics by University President Dr. Wilson H. Elkins effective July 1, 1969.

Kehoe took over an athletic program that operated on a one and a half million dollar budget with 12 varsity sports and will retire leaving behind a program operating on a three million dollar budget with 23 varsity teams. He has added one sport to the men's program and developed a women's program that is considered one of the finest in the nation with 10 sports.

The Athletic Department was in financial trouble, operating at a deficit, when he took over his administrative duties, and the revenue producing sports were struggling to just be competitive. Today the department is one of only three percent in the nation operating in the black and the overall program ranks as one of the nation's finest.

The revenue producing sports have been especially successful with the football, basketball and lacrosse programs nationally recognized with NCAA Championships. an NIT Championship and NCAA Tournament competition along with five consecutive football bowl games.

The latest sport added to the men's program, fencing. placed fifth in the nation this past year and the women's basketball team was second in the AIAW National Championship Tournament.

The financial stability, over a nine year period. has been achieved despite the necessary expenditures to upgrade and improve the athletic facilities including the renovation of Byrd Stadium and Cole Field House. the construction of a football facility. all weather track in Byrd Stadium and an artificial turf field. Other additions include a new soccer field and one of the finest indoor tracks in the nation.

During Kehoe's nine years the Terrapins have won 40 Atlantic Coast Conference Team Championships as compared to 24 for runner-up North Carolina.

NOTES ON KEHOE'S CAREER

On May 30, 1936 Jim Kehoe anchored the winning One-Mile Sprint Medley Relay team for Bel Air High School in the DCAAU Olympic track and field tryouts in Byrd Stadium. The Maryland entry placed second.

On April 16, 1937 he again appeared in Byrd Stadium, this time in a Maryland uniform and won the Mile Run in his first outdoor track meet for the Terrapin Freshmen. On May 11 he came within a tenth of a second of the University record for the 880 run after winning the 880 in his first meet against the Midshipmen in Annapolis on May 1.

In his last season as Head Coach the Terps defeated the Midshipmen 119-26 and went on to capture the IC4A Championship 53-52 over Villanova. His Terps also won the Outdoor title in 1965 and 1966 and the Indoor title in 1966. From 1936 to 1969 Kehoe had been active in Maryland Track.

In his first appearance in Byrd Stadium for the Terrapin varsity Kehoe set a stadium record in the Two-Mile Run against Michigan State with a 9:35.6. It was also the best ever by a Terrapin. He added stadium records for the 880 his sophomore year. He continued to break Maryland records throughout his career and his 1:50.7 for the 880 as a senior remained in the Maryland Record Books until 1963.

On April 28. 1940 Kehoe was a star in one of the finest days in Maryland track history as the Terrapins won three of the eight major events at the Penn Relay Carnival capturing the Distance Medley. the Four Mile Relay and the Two Mile Relay before 32,000 spectators.

Immediately following his graduation from Maryland Kehoe taught at Mt. Rainier High School while coaching the Maryland Freshman Track and Cross-Country teams. He joined the Army in 1942 and attended Officers Candidate School, served 18 months in the South Pacific, gained the rank of Captain and later attained the rank of Colonel in the Army Reserve.

His teams won a total of 48 Southern Conference and Atlantic Coast Conference titles including all but one of the Indoor and Outdoor ACC Championships in the 16 years of the league. He won the first and last 14 titles in each and added eight cross country titles including his last six as Coach. In dual meet competition his teams were undefeated for his last nine years. The Track team had a winning streak of 27 and the cross country team 29 at his retirement from coaching.

The Terps closed out his final year. 4-0. with especially pleasing wins over Navy 119-26 and North Carolina 126-19.

In announcing the appointment of Kehoe as Director of Athletics on February 11. 1969 Dr. Wilson H. Elkins. president of the university said "Coach Kehoe is a winner and believes that the University of Maryland can have strong teams in all sports. with emphasis at this time on football and basketball. His track program and direction of the large and highly successful intramural program for the University show that he is an organizer."

"Above all, he is a strong man with unimpeachable character. Mr. Kehoe will need support from all quarters. but he will provide leadership and always do more than his part."

STRENGTH and QUICKNESS

Jerry Claiborne rates strength and quickness high on his list of tangibles contributing to a winning football team. He was appalled at the lack of both attributes when he assumed the duties as the Maryland Coach in December of 1971.

In his initial testing of the Terrapins only seven were able to bench press of 250 pounds and only 14 ran the 40 yards in 4.9 or less. Claiborne immediately established a weight training program that has had phenomenal success with his ability to motivate others a major contributor to the results.

This past spring 75 players bench pressed 250 pounds or more and 53 of them topped 300 pounds. In addition eight topped 400 pounds.

The weight training program received a big boost with the addition of the new football facilities that include one of the finest weight rooms in any collegiate facility.

In addition to the improvement by the Terrapins many high schools and several collegiate teams have adopted Claiborne's training programs.

All-American Tackle Randy White has proven what dedication and adherence to the program can accomplish. He enrolled at Maryland as a 212 pounder who ran a 4.9 forty and could bench press 260 pounds. He left Maryland weighing 248 pounds and while playing for the Terps bench pressed 450 pounds and could run the 40 in 4.6. He increased his bench press to 460 pounds before joining the Dallas Cowboys.

Demonstrating that the program is just as beneficial to the backs Louis Carter, a 190-pounder, bench pressed 230 pounds and ran the forty in 4.8. He left Maryland as a 201 pounder who bench pressed 330 pounds and ran a 4.5 forty. He is now with the Tampa Bay Buccaneers.

There are currently eight members of the team bench pressing 400 or more pounds with Offensive Linemen Richard Cummins 435 and Larry Stewart 425 the leaders. Fullback Steve Koziol leads the backs at 420 pounds.

In addition Defensive Linemen just missing 400 pounds are Greg Vanderhout with 395 pounds and Kevin Haussmann and Ed Gall who have bench pressed 390 pounds. Offensive Lineman Paul Glamp and Linebacker Neal Olkewicz are at 385. Offensive Center Chris Grey checks in at 380 with Bruce Palmer a defensive guard also bench pressing 380 pounds.

TERRAPIN NOTES

TAILBACK-FULLBACK GEORGE SCOTT closed out the 1977 season with a three game rushing performance never equaled in Terrapin football history. Scott carried the ball 108 times in the three games for 581 yards. With the first two tailbacks injured, Scott moved back from fullback in the "Multiple Eye" and set school records for carries (42) and yards (237) against Villanova, followed with 35 carries for 171 yards against Richmond and then added 173 yards on 31 carries against Virginia. For the regular season Scott finished with 188 carries for 894 yards and a 4.8 yard average per carry. He also had a 124 yard performance against Virginia in the 1976 final game as a freshman with the same two tailbacks injured. LEAGUE'S LEADING PASSING GAME — Maryland led the ACC in Passing Offense in 1977 with 162.9 yards a game while completing 53 percent of the passes attempted for 1,792 yards. Larry Dick and Mark Manges shared the passing against Penn State while hitting for 277 yards through the air. Dick hit 12 of 15 attempts against Duke for 249 yards and 18 of 24 against West Virginia for 235 yards. The Terps also hit for 201 yards passing against Clemson as Dick came off the bench to hit five of seven attempts for 118 yards and a pair of second half touchdowns.

LEAGUE'S SCORING LEADERS — Terps led the ACC in scoring for the second consecutive year with 21.5 points a game in 1977 after hitting 24.8 in 1976. The top five point producers return for 1978, led by Steve Atkins with 54 points on nine touchdown runs last fall. Atkins has scored 126 points on 21 touchdown runs in three years. George Scott has added 72 points in two years on 11 touchdown runs and a pass reception. Dean Richards has six scoring runs and three pass receptions. Scott added two touchdowns not included in his statistics in the Hall of Fame Classic last December.

ACC RECORD WINNING STREAK — When Larry Dick came off the bench to lead Maryland to a 21-14 win over Clemson, opening the 1977 season, the Terrapins were winning their twenty-first consecutive league game. The 24-20 loss to North Carolina State in Raleigh ended the record streak at 21. The Terps had ended the 15 game winning streak by North Carolina with a 23-3 upset in Chapel Hill in 1973 and started their own streak the same year.

FIVE TERP DEFENDERS ON ALL-ACC ACADEMIC — Five members of Maryland's defensive unit were named to the All-ACC Academic team in 1977. Three members of the secondary, Jonathan Claiborne, Ralph Lary and Chris Ward joined End Joe Muffler and Tackle Ken Watson on the all-star unit. Four were eligible for competition in 1978, but Watson graduated with a year's eligibility remaining. Claiborne and Muffler gained All-American honors for their classroom work.

TERPS FINISH STRONG — In Coach Jerry Claiborne's first year at College Park the Terps came up with a surprising 5-5-1 season after seven consecutive losing seasons. Miami prevented a winning season in the final game but the Terps have not lost the final game of the season since.

In 1973 the Terps won the final three games and five of the last six to gain the Peach Bowl bid.

In 1974 Maryland again won the final three games and seven of the last eight to pick up the Liberty Bowl berth.

In 1975 the Terps once again won the final three games and suffered only one loss in the last nine enroute to an 8-2-1 season and the Gator Bowl.

Then in 1976 Claiborne's Terps won all 11 regular season games, the first Maryland team to win 11 games in a season, and recorded shutouts in the final three games. The team then went to the Cotton Bowl.

In 1977 the Terps bounced back after a 1-3 start winning six of the last seven games and the last three to gain their fifth consecutive bowl bid. Thus in five of Claiborne's six years at Maryland the Terps have won the final three games of the season and gained a bowl bid each time. The 1977 team defeated Minnesota 17-7 in the initial Hall of Fame Classic in Birmingham, Alabama.

OPENING GAME VICTORIES — Jerry Claiborne's Terps have won their last three season openers with victories over Clemson (21-14) Richmond (31-7) and Villanova (41-0). Prior to Claiborne's arrival in College Park the Terps had dropped the opening game in six consecutive years. In his first game Claiborne gained a 24-24 tie in Raleigh and then dropped two openers to Alabama (16-21) and West Virginia (13-20) and now has a 3-2-1 record in opening games, a big improvement over the 1-8 record the Terps had in the nine years prior to his arrival.

LEADING RUNNERS RETURN — The Terps have three ball carriers returning for 1978 who have led the team in rushing. Steve Atkins led the Terps in 1975 with 491 yards, while Alvin Maddox was the 1976 leader with 678 and George Scott led in 1977 with 894. Atkins was second in '76 with 621 yards and also second in '77 with 598 yards. Atkins has added 127 yards in the Gator Bowl and Scott 122 in the Cotton and Hall of Fame together while Maddox has picked up 30 yards in the two bowl games.

DEAN RICHARDS TOP RECEIVER — Dean Richards, a three year letterman wingback, is one of the top two receivers returning in the ACC for 1978. Richards had 23 receptions for 370 yards and one touchdown in '77 after grabbing 15 for 190 yards and a pair of scores in '76. He also added three catches in the Cotton Bowl game and caught four for 58 yards as a freshman. For his career he has caught 45 passes for 658 yards and three touchdowns, returned 45 punts for 6.5 yards a return and completed two of three passes for 13 yards and a touchdown. He caught nine passes for a school record, 160 yards against Penn State last fall with six of his catches coming in the fourth quarter. All of his 23 receptions came in seven games last fall as he caught two in each of five games, four against West Virginia and the nine against Penn State. He missed the Villanova game with an injury.

RECEIVER AT TIGHT END — Eric Sievers, a junior who has lettered twice, caught 16 passes for 300 yards last fall and then added a 57 yard reception in the Hall of Fame Classic. Sievers caught a pass in nine of the 11 regular season games including a 61 yard gain against Duke, 43 against Villanova and 35 against Virginia. He fractured his ankle on the 57 yard play in the Bowl game last fall. As a freshman he caught his first collegiate pass in the Cotton Bowl, a 17 yard gain on fourth and 14 and on the next play caught an 11 yard scoring pass.

FOUR YEAR LETTERMEN — Since the new freshman eligible rule became effective in 1972 the Terrapins have listed 10 four year lettermen. The first two were Kevin Benson, a four year starter at linebacker, and LeRoy Hughes a tailback who later moved to defensive end. In 1976 five more Claiborne recruits joined the list in Defensive Tackles Joe Campbell and Ralph Fisher, Offensive Guard Ed Fulton, Tight End Bob Raba and Defensive Back Ken Roy who also started out as a tailback. Quarterback Mark Manges, Linebacker Brad Carr and Defensive Tackle Ernie Salley each picked up their fourth letter last fall. Steve Atkins and Dean Richards, both in the offensive backfield, are eligible for their fourth letter this fall.

FRESHMEN ON VARSITY — During the six years the new freshman rule has been in effect Coach Jerry Claiborne has suited up 54 freshmen with the varsity and 43 have participated on bowl teams over the past five years. Bruce Byrom, Edward Gall and Ralph Lary III earned their first letters with freshman status on the 1977 Hall of Fame Classic team.

VARSITY LETTERMEN AS FRESHMEN — Ten members of the 1978 Terrapins are eligible to become four year lettermen. Senior Steve Atkins and Dean Richards have eached earned three letters and could be starters again this fall. Juniors Lloyd Burruss, George Scott, Jimmy Shaffer, Eric Sievers, and Kervin Wyatt have each earned a pair of letters. They are joined by Bruce Byrom, Edward Gall and Ralph Lary III.

CLAIBORNE TOPS LEAGUE COACHES — Maryland Coach Jerry Claiborne is the Dean of the ACC coaches although Duke's Mike McGee has one more year in the league. Claiborne has won 110 games (110-59-4) more than double the 41 by Clemson's Charley Pell and 36 by McGee.

Claiborne has won 49 (49-20-2) in his six years in the ACC while McGee has 33 victories (33-40-4) in his seven years.

Against ACC opponents Claiborne has won 28 games (28-5-1) while McGee has 15 wins (15-21-4) and "Bo" Rein 6 with a 6-4 two year record. Charley Pell was 4-1-1 in his first year in the league while Dick Crum and John Mackovic are both newcomers to the ACC.

BOWL OPPORTUNITY FOR EVERYONE — Every player Jerry Claiborne has recruited since his arrival at Maryland has had the opportunity to play in a bowl game. Claiborne has been at Maryland six years and the Terps have participated in five consecutive bowl games. Claiborne took seven freshmen to the 1973 Peach Bowl and all seven started for the 1976 Cotton Bowl team. One of the seven was a consensus All-American in Joe Campbell, and four gained ALL-ACC honors before they graduated. They were Campbell, Ed Fulton, Ken Roy and Ted Klaube. Although Klaube did not letter on the Peach Bowl team he started for the Gator. Cotton and Hall of Fame Classic teams.

Six freshmen went to the '74 Liberty Bowl and three Quarterback Mark Manges, Linebacker Brad Carr and Defensive Tackle Ernie Salley became four year lettermen, with Manges and Carr gaining All-ACC honors.

Eleven freshmen visited the 1975 Gator Bowl and four earned their letters.

Ten Freshmen were on the Hall of Fame Classic roster and three Bruce Byrom, Ed Gall and Ralph Lary III are lettermen returning for '78.

ACC BOWL TEAMS — With Maryland visiting five consecutive Bowls and four ACC teams visiting Bowls last fall the league has now had 29 bowl teams in 25 years of competition. Maryland, Clemson, North Carolina and North Carolina State visited Bowls following the 1977 season with the Terps and Tar Heels both making their tenth post season appearance. Clemson and North Carolina State have each been in eight bowl games.

SCORING-DEFENSE BY QUARTERS — During Maryland's five consecutive Bowl seasons the Terps have outscored opponents by 200 points in each of the last three quarters. The second quarter has been most productive for the Terps with 455 points while the defense has held opponents to only 115 points in the third quarter. In the 60 games played during the five years the Terps have outscored the opposition 1511 to 689. While the opponents have scored 400 first half points they have picked up only 289 in the second half. During the five years the Terps have averaged 25.2 points a game to 11.5 for the opposition. Opponents have averaged only 4.8 points a game in the second half. The five year, 60 game, comparison.

OPPONENTS	199	201	115	174— 689
MARYLAND	302	455	380	374—1511

FEW FUMBLES BY TERPS — The Terps did not lose a fumble in five of the 11 regular season games last fall. The Terps did not have a fumble in the Penn State. Syracuse or Duke games and did not lose the ball against Wake Forest or Clemson despite one fumble against the Deacons and two against the Tigers. In comparison the Terps recovered fumbles by the opponents in nine of the 11 games as Richmond and Penn State each recovered their single fumbles.

PASS INTERCEPTIONS — While the Terrapins stopped the opponent in 10 of the 11 games in 1976 with pass interceptions, half of the ten interceptions in 1977 came in one game. Five Terps each picked off a pass against Wake Forest last fall and two others came in the Richmond game. Lloyd Burruss set up a Maryland touchdown against North Carolina with a 63 yard return with an interception. Burruss and Ralph Lary each had key interceptions against Richmond in a 27-24 victory as Burruss returned his 24 yards and Lary had a 30 yard return.

TERPS HAMPERED BY INJURIES — Maryland lost two starters with injuries in the 21-14 opening game win over Clemson in 1977 as Quarterback Mark Manges aggravated a foot injury and Quickside Tackle Kervin Wyatt suffered a knee injury and was lost for the season. In the second game against West Virginia Quickside Guard Paul Glamp suffered a fractured arm and Split End Jim Hagan, who had caught the winning touchdown against Clemson, suffered a knee injury and both were out for the season.

The first two games seemed to set the tone for the season as 26 of the top 44 players on the depth chart ultimately missed one or more games.

Split End Vince Kinney, Defensive Backs Doug Harbert and Jonathan Claiborne, all starters, were added to the injury list at Penn State.

Manges added a fractured hand against Syracuse and Kinney a fractured leg against Villanova joining Running Backs Steve Atkins and Alvin Maddox on the sidelines. The Terps had a strong 17-7 win over Minnesota in the Hall of Fame Classic with all but Kinney, Hagan, Wyatt, Glamp and Ernie Salley back.

COL. TOM FIELDS

EXECUTIVE DIRECTOR
MARYLAND EDUCATIONAL FOUNDATION

Tom Fields is one of the major reasons the University of Maryland Athletic Department is one of the few Athletic Departments in the nation operating in the black.

One of the first decisions Jim Kehoe made as Athletic Director at Maryland was to expand the Terrapin Club and Maryland Educational Foundation with the goal of eventually assuming responsibility for all scholarship aid to Maryland athletes.

In order to achieve this, Kehoe lured Colonel Fields into retirement from the Marine Corps and Fields has contributed greatly to the financial stability of the department that operates on a three million dollar budget.

When Fields returned to Maryland contributions to the Maryland Educational Foundation were minimal. For the fiscal year ending June 30, 1970 the contributions totaled approximately $30,000.

The membership of the Terrapin Club has expanded from the 132 original members to nearly 1,800 and contributions have increased accordingly.

For the fiscal year that ended June 30, 1978 the Maryland Educational Foundation generated income that totaled over $800,000.

With the expansion of the athletic department that now encompasses 23 varsity teams, including 10 women's teams, expenses have increased each year and the Educational Foundation has kept pace with the growth.

Just two years ago the Foundation generated $631,000 and last year the figure was $712,000.

The funds provided by the foundation have not only enabled the University's self-sustaining program to remain just above the break even point but has enabled the Terrapins to gain National prestige in just about every sport. The University has instituted a scholarship program for the women athletes that is on a par with the program of the men's non-revenue sports and the Women's program ranks with the best in the nation.

The Terrapin Club, composed of contributors to the Educational Foundation supports the athletic program in other ways in addition to their scholarship aid.

Club members support the teams through their presence at the games, both home and away, arrange special charter trips, and are loyal fans, although over one-half of the members are not graduates of the University of Maryland. However all are strong supporters of Intercollegiate Athletics and its principals of competition.

The Terrapin Club membership currently includes 22 life members, ($10,000 contribution). 290 Diamondback members ($1,000 annual contribution) and 605 Gold members ($500 annual contribution) among the nearly 1,800 contributors.

Fields, a former Maryland All-American distance runner and teammate of Kehoe's took over his duties at Maryland in 1970 and his success has followed the pattern of his life.

His service to his country followed the same pattern he established as a track star for the Terrapins and recently as a University Administrator.

During World Wal II he served in combat in Guadalcanal, Vella, Lavella, Bouganville and Iowa Jima. He also served in Korea and Vietnam and at the time of his retirement from the Corps he was the Deputy Director of Information, Headquarters Marine Corps.

As a track star he helped lead the Terps to one of their finest days ever at the Penn Relays, winning three championship of America races and was recognized as one of the finest collegiate runners in the nation.

Colonel Fields and his wife, the former Patricia T. Hansel have four children, Karen and Lori, Thomas M. Jr. and David.

The President of the Terrapin Club for 1978-79 is Samuel W. H. Meloy, Judge Seventh Judicial Circuit of Maryland.

Judge Meloy, a 1936 graduate of the University, received his Masters Degree and Doctor of Jurisprudence from the George Washington University in 1939.

He has been a Federal and State Judicial Officer for 32 years, including service as United States Magistrate for the District of Maryland from 1946-1965.

There are three dedicated people in the Terrapin Club ofice to assist members ,the media, and anyone else interested in Maryland athletics.

Bob Ayres will assist with ticket purchases and provide assistance with housing and travel for away trips.

Eric Beve is always available to accept recommendations for new members and to assist in any way.

Cynthia Marterre, in addition to keeping the office organized will assure that your ticket reservations are properly recorded in the computor.

For information or to contact any of the above, the office is located in Cole Field House. Telephone (301) 454-4562 or 5141.

DR. CHARLES A. TAFF
Chairman The Athletic Council

Dr. Charles A. Taff, Professor of Transportation, College of Business and Management replaced Dr. John Faber as Chairman of the Athletic Council in 1977. Dr. Taff served as chairman of the Department of Business Administration from 1962 to 1973 and has taught at Maryland since 1949.

He is a graduate of Iowa where he also received his M.A. in 1941. After joining th efaculty at Maryland he earned his Ph.D. in Transportation Economics in 1952. He has served on the athletic council for several years.

Many of his significant contributions in transportation and physical distribution have been used in the formulation of transportation policy by the federal government, and the managerial aspects of his research have been utilized by shippers, the transportation industry, and corporate management. He is the author of four books, two of which are in the fifth editions, a co-authored book in the third edition, and is the Editor of the Transportation Journal, a professional publication that is published quarterly.

WILLIAM "SPIDER" FRY
Assistant Athletic Director

"Spider" Fry moved into an administrative position in the athletic department this past spring after having devoted 15 years to the athletes as a Head Trainer.

He served five years as the Head Trainer at Dartmouth College before returning to Maryland in March of 1967.

As a Maryland undergraduate he earned his letter in varsity soccer and a B.S. Degree in Physical Education. He was an assistant trainer at Maryland before taking over the Head Trainer duties at Dartmouth.

Fry became interested in training after suffering a soccer injury that ended his athletic career at Maryland.

During his years as a trainer he has worked with all 13 mens sports, understands the scheduling problems in each sport, the feeding and housing problems and transportation difficulties.

He worked with Al Hanlon in the scheduling, housing, feeding and transportation of teams this past spring with Hanlon retiring on July 1.

"Spider" and his wife Sandy, a graduate of Penn State, have a daughter Elizabeth Kay who won her first Golf Tournament this past summer while only 10 years old.

DR. JOHN SAMPSON TOLL

PRESIDENT
UNIVERSITY OF MARYLAND

"It is with great pleasure that I accept the invitation of the Board of Regents to become President of the University of Maryland as the successor to my friend Wilson H. Elkins."

With these words John Sampson Toll officially concluded the University's seven-month, nationwide search for its 22nd president.

A former chairman and professor of physics on the College Park Campus, President Toll has, in his own words, "come home" to the University of Maryland after 13 years as president of the State University of New York at Stony Brook. He is just into his first months in office after taking over for Dr. Elkins who retired last July 1 after 24 years as president.

"I have tremendous respect for this University," President Toll said in his acceptance speech. "It is humbling to be asked to follow such a superb university president as Dr. Elkins. I am drawn to the great opportunity for further excellence and service at the University".

Dr. Toll first came to the University of Maryland in 1953 when, at age 29, he became professor and chairman of what was then a six-man physics department. A decade later the department gained more than 70 members, including an astronomy division, and a national reputation for excellence. He is also credited with helping to secure funds for the creation of the University's renown cyclotron.

Now 54, President Toll is "looking forward to the challenges and opportunities" that a chief executive officer of a five-campus University of 78,000 students may expect. His preparation included developing SUNY — Stony Brook from a quiet Long Island campus of 1,800 in 1965 to a university of 17,000 students and considerable academic stature.

Dr. Toll earned his undergraduate degree in physics with highest honors from Yale. His advanced physics degrees were earned at Princeton. While a doctoral student, President Toll served as a theoretical physicist at the Los Alamos (N.M.) Scientific Laboratory, becoming the associate director of Project Matterhorn, the Princeton University research program that is one of the nation's centers of research on fusion processes.

An avid jogger, camper and tennis enthusiast, President Toll and his wife Deborah have two children.

DR. ROBERT L. GLUCKSTERN

CHANCELLOR
COLLEGE PARK CAMPUS

"The College Park Campus," says Robert L. Gluckstern, Chancellor of the eighth largest campus in the nation, "is reaffirming its commitments to research, scholarship, and the advancement of knowledge, including the search for solutions to social problems and the pursuit of excellence for its own sake."

One program that emphasizes academic excellence is the Chancellor's Scholars Program. With financial support from alumni and other friends of the University, the Chancellor's Scholars Program seeks to attract and retain top quality students to College Park through the annual award of $500 renewable scholarships to outstanding high school students.

New for 1978-79 is the Distinguished Professor Program, which emphasizes academic excellence by recognizing faculty members who have been particularly successful at translating scholarship into classroom teaching. Each of the six professors selected have been given time to develop an honors seminar, a graduate seminar, and a series of public lectures in connection with their area of expertise during the coming year.

College Park's General Honors Program, now in its fourteenth year, has come to be respected as one of the best of its kind throughout the nation. Despite the pressures of administration, Dr. Gluckstern contributes by teaching a General Honors course in physics almost every semester. He also continues to be active in research.

The emphasis on quality that has characterized Dr. Gluckstern's administration leads naturally from his own academic background. Educated at the City College of New York (Electrical Engineering) and MIT (Ph.D. in Physics) Dr. Gluckstern taught at Yale University for fourteen years. In 1964 he joined the faculty at the University of Massachusetts at Amherst as professor and chairman of the physics and astronomy department. Under his leadership, the department grew from 14 to 52 faculty members and increased federal support from $30,000 to $950,000 a year.

He became associate provost of the University of Massachusetts in 1969, vice chancellor for academic affairs and provost in 1970.

A member of the Terrapin Club, he is an avid fan and works out on the racquetball courts. He frequently reminds people that Maryland can be proud of its athletes who have combined varsity skills with excellent academic records.

Dr. Gluckstern, who is 53, was born in Atlantic City, New Jersey. He is married to the former Norma Block. The Glucksterns have three children.
